

## GATWICK AIRPORT

<b>Project:</b>	Departure Hall, Gatwick Airport
<b>Location:</b>	Gatwick, Crawley
<b>Architect:</b>	York, Rosenberg, Mardall
<b>Interior designer:</b>	Peter Glynn-Smith & Associates
<b>Main contractor:</b>	Cementation

### Glass-reinforced plastics

This contract, carried out for the British Airports Authority, consists of a series of demountable, stepped beam casings, forming a coffered ceiling.

The casings are hinged throughout to facilitate total access to all service areas whilst their construction will ensure longevity.

### PRODUCT RANGE

Openwood manufactures moulded products in glass-fibre reinforced gypsum, traditional fibrous plaster, and glass-reinforced plastics; further details are available on request.

### Openwood Licensed manufacturers of Acell products
